

Weimaraner Rescue of North Texas

Weimaraner Rescue of North Texas, Inc is an all volunteer 503 c3 non-profit organization. In the past 16 years our small group of volunteers has saved over 1500 Weimaraners from suffering and death. We exist solely on donations and fund raising efforts, such as Casino Night. Every penny of our proceeds will pay for veterinary care, food, and boarding and essentials expenses.

Our mission is the rescue, rehabilitation and placement of Weimaraners from animal shelters, found stray, abandoned, neglected and abused. We educate the public on responsible pet ownership and promote spay/neuter. We are dedicated to end tragedy of pet over-population by opposing puppy mills, pet stores selling live animals and irresponsible over breeding of companion animals.

Approximately 12 million healthy, loving, adoptable dogs and cats are killed in the United States each year because there are not enough homes for the million of animals being bred. For every human birth, approximately seven cats and dogs are born.

Dalmatian Rescue of North Texas

We are 501 c3 non-profit, all volunteer organization whose mission is rescuing abandoned and stray Dalmatians from local shelters.

Dalmatian Rescue is funded solely by donations. These funds are used for shots, heartworm treatment, spays and neuters, and boarding.

We were organized in 1993 in Princeton Texas and have continued to save more of the wonderful spotted friends each year.

The Dalmatian is an active, playful loving pet, but they are not for everyone. We encourage the public to research this breed before considering a Dal as a family pet.

At the present time, we have 20 dogs in our program that are looking for their forever homes. Each is a special pet that has been abandoned and/or abused and deserves to have a happy life.
